

Masculinity.

It is power knowingly operating as power. It is knowing, aware power, + consciousness of correct application. Power is that which moves. Circumstances dictate correct mode of movement in stillness one listens to needs. Its self loving expression. Self-expression in the mat. world.

Man the lumber, woman the counted, and counted, and quartered. Difference of stress, self actualising ability increase. Man becomes master when he realises the power he serves, the generative power absolute, all that is. PU - Hah - power, but held in, aware because self looked in for a loving purpose. No key is needed.

Man is a transformer of power, when obedient, man is guided by power, which transforms to expression. Man is a doorway for universal expression.

Then, power of silence. It gives birth to words. Only in silence can you hear the needed word. Inner silence can exist in any situation, noisy or otherwise.

History of Man. Long history - joining men to fight other men. Driving away from the Mother on the battlefield. Men alone, isolation - turning to each other for brotherhood + answers to questions of life's meaning.

Man bound by self image. Need to appear to be is not To Be. Fear of woman drives him. Need to feel connected, empowered, switched on. Search for direction.

Richard. Weakness rests in fear, strength in love. For R., need to love himself, to refine, discriminate, positively imagine the future. An attitude of looking to + serving the best for the enjoyment of it for its own sake, + not for image + fear driven.

Essential to be positive. Opposition is OK. - makes difference. Danger = passivity. Remedy = positive thoughts + feelings. Feed on these rather than on memory. I have the choice. I can be my own man. If I develop firmness, I need not have to give way. Unplacable surely need not bash others. Danger. Mass. reactivity, + reactive passivity. Danger of dominance, + of too little push - desire for sleep.

Breathe correctly - v. important. Self-controlled intent is contacted by deep breathing. Feel the inner energy + make friends with it.

A restatement of who I am in resolution of F/M opposition. Creative energy - I am a part of it, a unique contributor. My function is backed by life itself. I am wilfully obedient to the Best in any situation, so threat is a learning experience. Pts. of pain are sources of talent + profitable expression. I love them.

Watch for overbalance into fear driven over-push + under-push, in regard to woman. Become pivotal. It involves sacrifice - pushing myself into the situation - Yes, I am here. Yes I will work. The c. of the universe is where this work is being done. I choose to be the centre of my universe. Essential positivity. Without it nothing works.

I posit myself. R. does not understand the implications of this. Experience will mature him. Keep positing + remembering he makes himself. It's a wilful choice. BE. Worship power creative.
